There is also some question as to whether or not hate speech falls under the protection of freedom of speech in some countries. What do we mean by war?

These are the ideas that are behind the promotion of global English.

Underhill seeks to situate these key cultural concepts within four languages English, French, Czech and German. In the English language, a hate crime also known as a "bias-motivated crime" generally refers to criminal acts which are seen to have been motivated by hate.
