Member States' payment forecasts cannot directly be compared to the actual payments that have taken place thus far in the year because the latter includes the significant amount of payment claims received before the end of last year and had to be charged on the appropriations available in the budget. Wann wurden diese zu welchem Preis gekauft?

What practical actions and additional sources of funding can the Commission

The costs for the required report and evaluation will be covered by Frontex and the Commission. The practical procedures that apply when a Member State receives a European arrest warrant EAW and the authority that carries out the arrest pursuant to the EAW, will be determined by national law.

This percentage still seem too high in the eyes of the French agency, which would like to see more EU citizens moving to another Member State do so to work.
