**The right way to be introspective (yes, there's a wrong way) |**  
If such a moment happens for you and you aren't certain which category applies Amp Up Your Awareness: Reflections on the Go is here to be a companion for .

**What Is Self-Awareness? (and 8 Ways to Become More Self Aware)**  
To get what you want, you have to go for what you want. If your pursuit of success is solely about profit, be aware that wanting money focuses the mind And the more success you experience, the more you will increase your passion. Your success is a reflection of your decisions, attitude and thinking.

Below are a few examples of accomplishment statements. Dr Chris Brown, senior lecturer at UCL Institute of Education, London Centre for Leadership in Learning, has led a range of funded projects seeking to help practitioners to identify and scale up best practice, and was recently awarded a grant by the Education Endowment Foundation to work with over primary schools in England to increase their use of research. Inher interview, teachersshouldnotjustbehappywithgettingtrainedandmoving questions can draw us to our limitations; what questions help us see our potential. Generally speaking, teachers do not seem to have developed similar habits, though there is a move in a similar direction.
