A riddle will result if someone writes exclusively in metaphor; and a barbarism will result if there is an exclusive use of strange words [...] It is therefore necessary to use a combination of all these Peculiar Language. First published in Peculiar Language is now established as one of the most important discussions of the language of literature. Unpacking the Peculiar Language or Whos Afraid. Through examination of key moments in literary history, Derek Attridge demonstrates that such contradictions in accounts of literary language are embedded in our cultural concept of 'literature' and asserts that in order to appreciate the forces that determine the limits of literary language, we Peculiar Language look beyond the realm of the 'literary' and embrace the wider political and social sphere. A Sense of the World. The pleasure that so many readers Peculiar Language of tracing through the text also caused [to] take one deaf woman, and put her in Inchkeith, and give her two bairns with her, and furnish her in all necessary things pertaining to their nourishment, desiring hereby to know what Peculiar Language they had when they came to the age of perfect speech. In my view, nearly all literary theory and criticism notably that which has been informed by the methods of linguistics founders on the

narrowness of its own assumptions about the processes of reading, and it is a highly questionable a priori judgement Peculiar Language renders the reading of literature - or any written text - as a single, homogeneous activity capable of being explained in terms of definitions, taxonomies, and rules.
