Set a 5–10 year turnaround plan for each school that addresses the needs deficit and continually tracks progress. Give children a real say in their learning. Who is the New Jamestown Skeleton?

Another kept a stuffed mouse on her desk to remind her of home. Still, there is a distinct absence of chest-thumping among the famously reticent Finns. Introducing your child to study skills now will pay off with good learning habits throughout life. More on this topic for:

The third iteration of the project has just been launched—the Cambridge Primary Review. The school, tutoring groups, after school programs, churches, and libraries.
