Human rights defender are people who, individually or with others, act peacefully to promote or protect human rights. Description Contents Author Series Subjects.

The debate was whether economic and social rights are aspirational, as contrasted with civil and political rights. The League's goals included disarmament, preventing war through collective security, settling disputes between countries through negotiation and diplomacy, and improving global welfare. According to many human rights activists, the death penalty violates this right.

Essays in Practical Philosophy. Christopher Leblanc marked it as to-read Apr 20, Such United Nations Charter obligations are binding on all states and cannot be modified by treaty.
