That will almost always be the big picture goal for them – and by extension, this should also be your big picture goal. There are a ton of great reasons to get started. I am in CA if that matters.

The more information you provide, the better the feedback you'll get and then

It would not be unrealistic for you to have this as a side venture and scale it to ten or fifteen machines. Digital LCD screens can help your machines stand out and give you the opportunity to generate extra income by displaying ads. If approved we will schedule you on the sidebar, so please also provide a Title and character teaser.

The reason your bank is charging you a fee is because they are being charged by you. You can gain the freedom to spend time doing the things you want. If you invest in a more expensive, trustworthy looking machine, does it yield more profit on avg?
