Different printers might use different paper or cover thicknesses, and there may be a requirement to print a certain number of copies. Self-publishing, on the other hand, is at the forefront of digital innovation, offers unlimited freedom and control, and pays better at least, on a per-book basis. You can get your writing in front of the world by posting it. Good resources for doing that: It is not Bowker. When I published someone else I controlled . And if so, do you need one for each state you sell in? Then, once the new editions are out, declare the first editions out of print. As with traditional publishing, major success is still an outlier event.
