I'm 36, still single, and finally figured out why - Ideapod

Clearly, some people are single because they choose to be. They are simply not interested in being in a serious relationship at this time in their.

Error (Forbidden)

I'll be honest. Sometimes, I see couples on Instagram or Facebook and I think to myself, "If they can find someone, then why am I single?."

8 Reasons You Might Still Be Single | Psychology Today

For people, particularly those over 30, who are looking for answers to the puzzling question "Why am I still single?" here are some unconventional answers that.

We may establish an unsatisfying relationship by selecting a person who isn't emotionally available. Now with so many women these days that are so selfish, spoiled, greedy, and very picky certainly has a lot to do with it since my other friends do really agree with me .

Most of the women I know make more money than thementhey are in relationships. It's important not to make fixed rules or to buy into other people's rules when it comes to dating. And not every potential partner understands the demands of a single parent or a person who is a carer for an aging parent or perhaps disabled sibling or even a disabled spouse.
