So it hit the iceberg and then it was underwater in less than three hours. Like it actually happened until a few weeks ago and she's my age, she's 30 and she thought it was just a movie, EPI 1 a story. Yeah, I think so. It was less than three hours. This however, increased the risk of a collision, which he would have known if the iceberg had been struck EPI 1 on there would have been damaged in a loss of life to the crewman and their bunks, but the ship would have stayed afloat and made it to New York. EPI 1 ship was equipped to carry, but it only carried So this is a kind of a new one that I heard . Like I don't like to talk about them like I. The Dirty Epi Drip:
