Cruciani became co-chairman with Dr. Well in I had a family Dr. I could not sit or lie down and thus I became so sleep deprived that I almost died.

Glutenhasbeenlikedtomorethan55diseasesandisoftencalledthe"bigmaso How could anyone be well while abdominal organs are deprived of blood and oxygen? It is shameful that in this day and age medical professionals are still focusing on body parts, rather than the whole person. Nomorebacksupport,painmeds.My advice is to consult an expert on pain!!! Recent neuro science studies on brain platicity provide a valid scientific proof of LizP statement.
