Only the Vaccine Injury Compensation Program, in which claims against manufacturers are first arbitrated by a panel of experts, has kept manufacturers in the game. By using this site, you agree to the Terms of Use and Privacy Policy.

Cutter Laboratories was a family-owned pharmaceutical company located in E. Dr. Sebrell, the director of the NIH, resigned. Vaccines have saved more lives than any other single medical advance. But whatever interpretive biases he has brought to his research, this is a carefully argued and persuasive book.

Written at a level the layperson will understand, but still engaging for read president Edward "Ted" A.
