This is a scholarly book that is a "must" have for anyone who is interested in me

A couple of things that were interesting to me is that at various times, the Church offered opportunities for people to confess these sins without punishment. This book is available as part of Oxford Scholarship Online - view abstracts and keywords at book and chapter level. The First Century of Crypto-Judaism.

Nahmanides in Medieval Catalonia: Be the first to ask a question about Hereti

the author only obliquely mentions the torture that many prisoners experienced as part of their trials, or the deaths by burning at the stake of those found guilty.
