Don't expect to find traditional meditation techniques in this books, but rather, new methods based on those developed for a busy post-modern world. Maybe that's my fault since this author was just trying to get the reader the information quickly and concisely. You must have JavaScript enabled in your browser to utilize the functionality of this website. Product details Format Paperback pages Dimensions Published on January 9, The dialog is very choppy and the narrator Author is unorganized and not very well spoken. Isn't that the goal anyway? His attitude was useful forme. Get fast, free shipping with Amazon Prime.
