How do business clothes make you look stronger or weaker, and more or less competent on the job? With his expertise, he'll help you look past the words so you can really read your workplace. Unlike artists, our own observations are often untutored, vague, and outside our conscious awareness. One of my favorite assignments was managing research for Unilever in the Lang. To better observe the chimps' body movements and gestures, Goodall would momentarily ignore their distracting pant-hoots, waa-barks, and vocal screams. Open Preview See a Problem?
