Further, as we have already seen, entire sections of the ruling class are, by the advance of industry, precipitated into the proletariat, or are at least threatened in their conditions of existence. Modern Industry has converted the little workshop of the patriarchal master into the great factory of the industrial capitalist. It was just this contact that was needed to centralise the numerous local struggles, all of the same character, into one national struggle between classes.

In one word, it creates a world after its own image. The serf, in the period of serfdom, raised himself to membership in the commune, just as the petty bourgeois, under the yoke of the feudal absolutism, managed to develop into a bourgeois. Retrieved15SeptemberThePenguinDictionaryOfPolitics.They are dislodged by new industries, whose introduction becomes a life and death question for all civilised nations, by industries that no longer work up indigenous raw material, but raw material drawn from the remotest zones; industries whose products are consumed, not only at home, but in every quarter of the globe.
