### **Should sex offenders have access to the internet? - Legal Cheek**

Description. Online, the opportunity to commit a crime is never more than a few clicks away. Sex Offenders and the Internet explores the nature of online sex.

But where internet use does seem to generate a considerable debate is when it comes to registered sex offenders and the restrictions they face.

A probation officer may conduct a search pursuant to this condition only when reasonable suspicion exists that there is a violation of a condition of supervision and that the computer or device contains evidence of this violation. In order to install computer monitoring software on computers, it is necessary to Sex Offenders and the Internet conduct a search of the computer to determine whether it contains any prohibited data that may be detected by the monitoring software. Why is it such a big deal to you?
