Jan 01, Nathan Burgoine rated it it was amazing. I liked this story even though it was slow and the Author used a lot of punctuation marks.

All in all, this book is a truly enjoyable experience of fantasy. Feb 10, Vivian I absolutely loved this series. The Banned and the Banished 5 books. The characters had a lot more breathing room this time around, and we got to see a lot more thinking going on. I have one left. I've never read a book with so many punctuation marks.!
