I was really excited to get to this book and I think I'm likely to look into more of Konrath's books now that I've read. I found humor in some of the dialogue and I felt that really helped the story move .  
Come closeto deathcountlesstimes. What a rip-off for fans. Read more  
Read. So he's built something especially for Jack.  
I could be off base. A riveting Serial Killer Thriller. Like modern thrillers with gripping historical twists? Explosive thrillers in the tradition of Thor, Flynn, and Clancy.
