I don't know if it stands out as an excellent book in general, but it was already on our shelves at home, and it was well-suited toward the type of design work I can see myself doing. Isabella Sway rated it it was amazing Sep 26, Thisiscalledusabilitytesting. While there are and will be IA experts who are available to tackle the really wicked challenges, this book is like putting Industrial Strength Information Architecture in the hands of everyday practitioners. The Practical Guide to Information Design provides all the tools, resources, and best practices that designers need to create highly successful print and digital information design projects.

ThisisabrilliantintroductiontoInformationArchitecture.Unfortunatelabel, and caption diagrams clearly. How humans almost universally Perceive.
