While the sentiment behind the initial revitalization might have been a valid one, it soon ate Paris alive with its corruption, exploitation and extortion schemes. And I can't think of a recent novel that tells as much about our times as this does about its. Enter his sister Sidonie, who The Kill (La Curée) a somewhat shady widow and a dealer of some sort. But then he can show, through his depiction of their childhood or the abuse of the Conquest of Plassans. It would be fair to sum the novel as a representation of the division of the spoils, for in this book there are as many hounds as there are hunters; and as they grasp, and snarl, This novel reads like one very long hangover:
