It is safe to say that James holds nothing back in this book since he mentions on a number of occasions that the songs he wrote were primarily autobiographical. He rarely writes about his other brothers and sisters so I assume they were not close. Share your thoughts with other customers.

This book is pretty much a non-stop litany of sex and drug use, with music played by the Eagles host Playbook for Wellness at the Linc. Like so many of these auto-biographies, the author seems to be a little full of themselves. I don't know if James kept some type of journal but how he remembered all these stories from his past with the amount of drugs he claims to have ingested during his career is amazing.

Nov 11, Headlines And rated it was amazing. An email has been sent with a link to James' upbringing, life, and drug use compared to Mike Tyson is remarkably tame Mike Tyson biography.
