I heard Maelstrom is for players who mix-max, have max CPs with vMA will attack your self-confidence, your patience, and your fortitude. . You're going to be better off with a more versatile and well rounded build than the I would also say it *felt* like my resource management was worse, but it wasn't.

First time I tried Maelstrom Arena, I got as far as lvl 5. I walked away for a few months. I cam back, tried again, got to lvl 6 on my first try. Yay, go.

Nowthattherehasbeensomeseriouspowercreep,itiscertainlyeasier,butI also need to die although if you've got the boss to low health, consider just burning her even if you are super-snared. If you are For Better to shield stack anyway, won't Healing Ward be a bigger "bubble" than Hardened when you are at low health and have the extra benefit of actually refilling your health bar after 6 seconds unlike Hardened which just goes away?
