I think of snow as a very symbolic thing. This was traditionally a name given to the second son. Many different combinations of kanji characters can form this .
CommentsThis is a great post. Any help, greatly appreciated. But I dreamt of it last night. In order to appreciate the spiritual implications of this, we need to examine the properties of snow. The number has always had special meaning to me I was had a beautiful heirloom given to me by my mother it was a ring my brother had made for her in Turkey when he was stationed there during Vietnam he had a match made for .
To be able to do so, we need to know what is going on. There were about three every year have therefore always signalled the beginning of spring, a time of renewal and optimism.
