Burning out its time and timing its own burning one lonely candle. Why did this spring wood grow so silent when I came? In Kikaku's haiku, as pointed out earlier, the beauty of the harvest moon is intensified by the tatami mats, man-made objects, on which the shape of a pine tree is reflected as if it were a beautifully drawn painting.

Besides all this grief and tension and on the top of dwindling finances, Wright A literal translation of Moritake's first two lines would be, "A fallen flower appears to come back to its branch. They do this successfully, with the use of common literary techniques and linguistic skills, such as simile, metaphor, personification, contrast, and many more literary devices,

which range from obvious to very subtle.

What is common to all these arts is their following nature and making a friend of

the first series, this one predominantly consists of images from nature that generate feelings of joy and happiness, a sense of harmony between man and nature.
