We think that a shared sense of belonging is vital for any nation to cohere. In theory immigrants can maintain their cultural backgrounds and also become for instance Americans because Americanism is determined partly through. Nevertheless it remains a theoretical concept because a hundred percent assimilation of every single individual is not possible. Thenation-statemodelforsocietyiscrumbling,andisbeingout-strippedb The volume of immigrants arriving on our shores is increasing – a total ofarrived in the year to March – a rise of 68, according to the latest data from the Office for National Statistics. Topics Communities The case for language learning. Orderbynewestoldestrecommendations.Our education system has a key role to play in the creation of social trust and community spirit. If you decide that you want to live in a country you have to abide by its rules.
