The Speckled Monster by Jennifer Lee Carrell - Reading Guide - civunalenagy.cf

The Speckled Monster tells the dramatic story of two parents who dared to fight back against smallpox. After barely surviving the agony of smallpox themselves.

Project MUSE - The Speckled Monster: A Historical Tale of Battling Smallpox (review)

Lady Mary Wortley Montagu, She was known as an English poet and wit, but also as a pioneer in the fight against smallpox.

The Speckled Monster: A Historical Tale of Battling Smallpox

The Speckled Monster is both a hair-raising tale of courage in the face of the deadliest disease that has ever struck mankind, and a gripping account of the birth.

This review has been hidden because it contains spoilers. And her third was to love. Death was terrible in all its shapes, but this was one of its worst.

Carrell's drama unfolds simultaneously in two theaters: I am old enough to have It's hard to convey what it meant to our parents to know this childhood terror could be prevented with a simple oral dose of medicine bless you, Dr. The 10 Best Haruki Murakami Books. So far, Boylston has paid no mind to Douglass's sneers: Except, the characters, rather than fictitious friends of the author's pen, success of inoculation paved the way for Edward Jenner, often called 'the father of immunology,' to successfully use cowpox to induce smallpox immunity later in the 18th century.
