The unreal universe : a study in applied spirituality (Book,) [civunalenagy.cf]

The Unreal Universe is an inquiry into the realness of reality as reflected in the basic assumptions of physics. It examines

these assumptions using metaphysical .

Cooperative Research Centre for Aboriginal Health, on Aboriginal health and social and emotional wellbeing, Spirituality has been .. of the elements of the earth and the universe, animate and inanimate, .. and understandings quite different from those applied to the same words by the wider community', and later.

He applied this technique and obstacles cleared up like a magic. They call this unknown part of the universe as 'dark matter' (27%) + 'dark energy' (68%) = 95% unknown universe. This is the secret technique which spiritual masters give to their most trusted What exactly is real and what is unreal?.
