The body departs, the spirit remains. The effect was such that whoever saw those pictures underwent the same influence. But of a thousand persons so studying intellectually, perhaps one actually. The expansion of love is the expansion of consciousness and the expansion of consciousness is the expansion of love. But it can be seen or heard as soon as the veils are lifted. But this followers arrogated to themselves the right to criticize. We do not have many examples and teachings on this subject in the Gathikas and Gathas.
