Regardless as to how well it may have been described, there was already a known mechanic with the same description. But for now, Blackout Daze current sources claim that blackout and daze are two separate effects. This way you don't spam the RC. As for not being caused by any skills or traits yet, that does not matter, almost. While thinking about coexisting similarities, why not take a look at stun and knock down? What he did there is say it is not a condition, and daze has that effect. What would mean seeing a Blackout Daze that actually causes this affect. Actually, in such a case, where Necromancer has its own "Fear", Mesmer may have a primary source to go by, the claim that it is, is still just speculation.
