I loved this book! It's very much Anderson doing his thing, but as a tribute to our four legged friends, he hits on something pretty universal. Threads collapsed expanded unthreaded. Dec7,Rating: Yoko Ono as Assistant-Scientist Yoko-ono. Dating Relationships Internet features. FisherStevensasScrap.The film's sense of real and lethal peril - its diorama-like unreality notwithstanding - is eminently fitting for a story that is so keenly attuned to the distinctive angst of the human-canine relationship. Anderson's projects have always had a meticulous quality to them, but "Isle of Dogs" is exacting to the point of alienation.
